We have successfully conceptualized, organized and executed large scale production for live entertainment of international level.

At DanceSmith, we believe in **Deliver the best, to be the best.**

Corporate Choreography

We incorporated Corporate choreography in our showcase list. This is especially designed for making your function special and interactive.

Our best trainer will be part of the choreography session to make the best sequences for the function or occasion which will be further performed by the members of the organisation with our back up artists. Along with the dance routine, we also provide costumes and props accordingly to provide the perfection in the performance. This is a fully customised act as per the need and demand of the client and according to the function.

Corporate Choreography includes choreography by the best trainers on the songs selected by clients' own member which will be performed by them and to make the sequence grand and epic, the act will be supported by our back up artists.
